

Make 1990 Census Data Work for You!

1990 Census of Population and Housing Guide

If you are using 1990 census results, you will find the Guide an indispensable reference. It offers the information you need on such subjects as:

- ▶ **Data products**—A complete rundown on printed reports, tapes, CD-ROM's, and more. Helps you choose the products best suited to your needs.
- ▶ **Geographic terms and products**—Definitions of geographic terms. Information about maps, TIGER files, code schemes.
- ▶ **Where to find assistance**—Describes services to help you obtain and use data, then lists over 1,700 data center organizations, 200 Census Bureau data specialists, Federal statistical agencies, and other sources of assistance.
- ▶ **Population, housing, and technical concepts**—What they mean. How they've changed from the '80 census.
- ▶ **Census procedures**—Efforts to encourage response. How State and local governments helped. The full range of collection and processing activities.

How to order—Use the Superintendent of Documents Order Form included in this publication. Here is the information you will need:
